Startup doctor is a startup resource platform that empowers entrepreneurs with learning modules, growth opportunities. It promotes sustainable business practices and funding access, aiming to foster economic development in line with UN SDG #8 (Decent Work and Economic Growth).

8 DECENT WORK AND
ECONOMIC GROWTH

UI & Functions of Our App

Animation &
Boarding Screen

Creating Account

A mobile app screen for creating an account for 'STARTUP DOCTOR'. The status bar at the top shows 'U+ 11:38' and '50%' battery. The 'STARTUP DOCTOR' logo is at the top, with a green curved arrow graphic to its right. Below the logo, the text 'Create an account!' is displayed. The form consists of three input fields: 'Username', 'Email Address', and 'Password'. The 'Password' field has a green eye icon on the right to toggle visibility. Below the input fields is a large green button labeled 'Sign up'. At the bottom, there is a link that says 'Already have an account? Sign in'. The Android navigation bar is visible at the very bottom.

Development

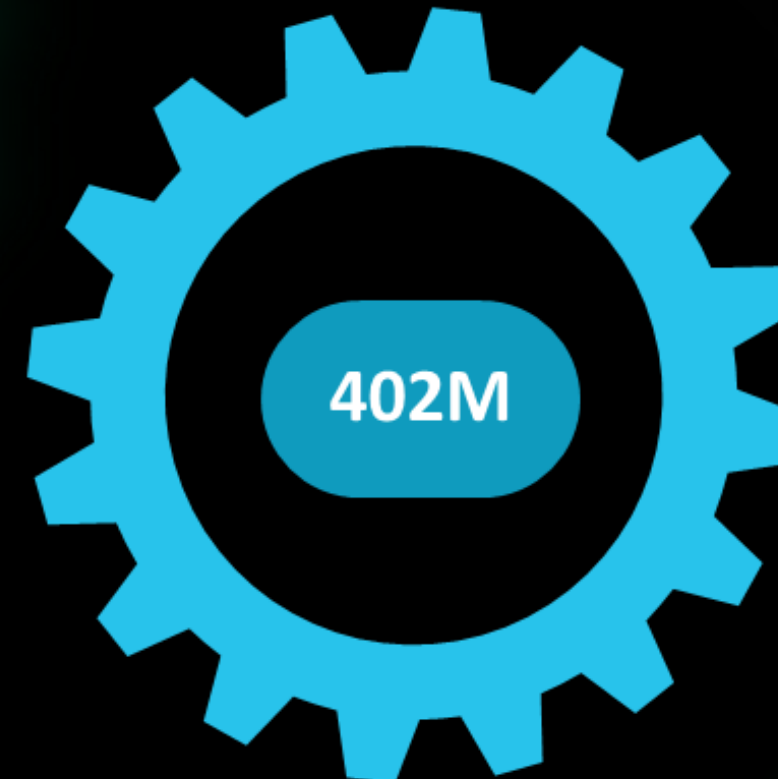

Role of Startups in Job Creation

young enterprises employ
20% of the workforce and
generate approximately
50% of all new jobs.

Startups are
responsible for 83% of
total employment in
South Korea.

The unemployment
rate in 2023 was
5.7% in low-income
countries.

The jobs gap
rate) in 2023
was 20.5% in
poorer
countries.

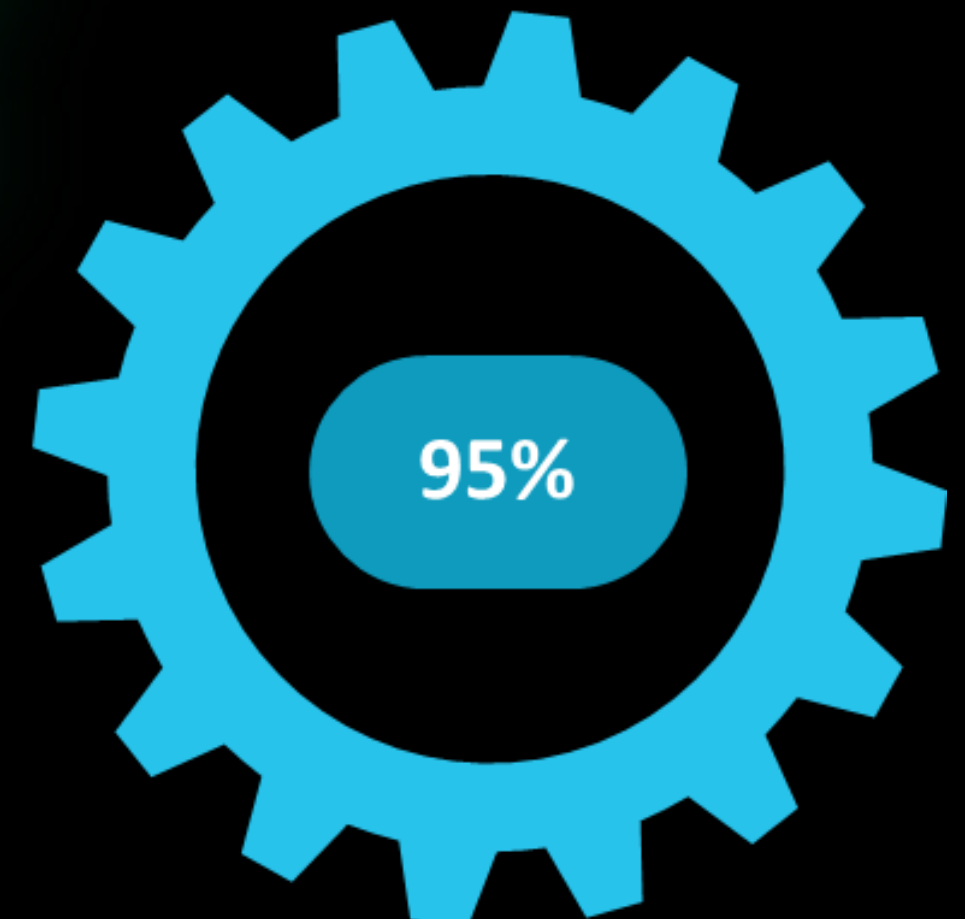

Role of Mentoring in Startup

Only 22% of small businesses had mentors when they started their business. This indicates a significant mentorship gap for new entrepreneurs.

Startups led by founders who were mentored by successful entrepreneurs are 3 times more likely to become top performers

95% of startups fail due to lack of appropriate mentors, prompters and guides. This statistic highlights the critical importance of mentorship for startup success.

Business Model

As Traditional Models
